

Beautiful Seed Pack Favors

Seeds spread hope and cheer, and no seed packet conveys this in quite the same way as our Art Packs. Each is designed by a different artist, and each contains seeds for a unique heirloom or open-pollinated vegetable, flower, or herb variety. They make the perfect favor for weddings, parties, or events.

We are now able to produce full-color custom closure stickers for our Art Packs. We can work with supplied files, or we can supply one of our readymade designs. We can also work with you to craft the perfect design for you or your client (nominal design fee applies). A few sample sticker images are below, and you'll find a sample sticker on the pack inside this mailing. *Lead time for stocked items is 3 business days; lead time for packs with custom-printed stickers is 7 business days.*
